## Key Milestones: The Road to Viral

July 5th: Pre-sale goes live--get in before the crowd.

July 24th: CoinDCX blasts BallsApp to their full client base.

July 31st: \$BALLS mints and launches on CoinDCX, MEXC, and Gate.io. The rocket ignites.

## Monthly Prize Draws: Massive Liquidity, Massive Hype

Starting July, BallsApp will run multiple monthly prize draws with unique, high-value prizes promoted by our top-tier Influencers and KOLs. Here's the alpha: 30% of every ticket draw is used to buy \$BALLS and inject it straight into liquidity pools. This means relentless buy pressure, deep liquidity, and a price floor that rewards early holders as tokens unlock during vesting. No other project is fueling their ecosystem like this.
